Out of the famed Nell cow family, she is the very top end of our calf crop. Sound in every way with volume and muscle that defines her as a top show prospect with cow maker genetics.

**Bar J Brook 4B30-6D16**

If red in your thing, don't overlook this fancy May-born prospect. The Brook cow family produced the high-selling heifer at the 2010 National Sale.

**Our two best halfblood heifers sired by Duff Trust Me, the breed's record selling halfblood bull and sire of the 2016 National Sale high-selling bull.**

**Bar J Mercedes X40-D3**

High quality and correct with plenty of extension, she will fit in anyone's show string. She will be competitive with a world of future as a front pasture cow.

**Bar J Rosie T29-D5**

This heifer is what the breed is all about. She is easy fleshing with great volume and exceptional muscle. She will show and continue as an exceptional grass pasture female.

**Young fullblood females, fall calving pairs, fullblood and moderator bulls for sale at private treaty.**
